

## *Fiji Music Educational Travel*

### *FIJI*

With concert performances in Suva, Lautoka and Nadi this destination is a treat. Big on its Choral works, providing gigs and catering for all types of performances. One of the highlights of any Fiji tour is to hear the local people sing.

The missionaries brought hymns and choir singing to Fiji, and the local Church singing is truly divine. Popular local musical artists include Seru Serevi, Danny Costello, Michelle Rounds, Karuna Gopalan, Laisa Vulakoro, the Freelancers and the Black Rose. Music from Indian melodramas is popular amongst Indo-Fijians and local bands play covers of Indian music featuring vocal, harmonium, tabla and sitar ensembles.
