

## *U.S.A Sports Educational Travel*

### USA

The USA's fantastic Olympic record shows the importance placed on sporting excellence. Sporting facilities are first class and you will always be given a warm welcome. Sports or educational tours can be arranged to anywhere in the USA all year round.

Soccer is now one of the most popular sports in the USA, especially in Florida. The tournaments generally take place at the Disney Wide World of Sport or at Cocoa Beach and attract teams from all over the world. Friendly matches can also be arranged at various resorts along the Florida Coast.

WALT DISNEY WORLD and the Orlando 'play land' area make up the largest family entertainment complex in the world. The Disney world complex alone includes dozens of entertainment, sports, dining and shopping attractions.

Plus the other attractions in this area like Universal Studios, Sea World, the water parks, theme dining experiences, museums and various other entertainment facilities, adds up to hundreds of family entertainment attractions and diversions concentrated in one Small area to suit everybody's needs!

All of this put together with the semi-tropical climate and over 900 miles of beautiful white sandy beaches, makes the perfect combination for the ULTIMATE Sporting Holiday.
